Peace.

Gratitude.

Caring and kindness.

Love for our families, colleagues, communities and fellow citizens.

A sense of doing our best and that our work matters.

Hope for the future.

These are the things we wish for you and each other.

On behalf of the VMG Board and practitioners, thank you for helping us care for our patients and communities.

As an expression of gratitude for all your efforts, in the payroll of December 19, 2019, all non-practitioner staff (employed on the date of the payroll) will see a holiday bonus of 3% of compensation, OR, $400 whichever is greater. Recently hired staff will also receive a bonus (the amount will be $75).

Keep being kind at work, at home, and in the community and that kindness will be returned. Once again, we wish you all a safe, comforting, and healthy holiday season and our best wishes for a peaceful New Year.

Joel
